

2008 WESTMONT SWIM CLUB LONG COURSE FEE INFORMATION

FEES: Half of the session fees are due by February 27, 2008. The remainder is due by May 16, 2008. If you are unable to meet the payment deadlines, contact www.westmontswimteam@yahoo.com . If you pay all you session fees by February 27, 2008, you will receive a \$25 credit on your bill. There is also a \$25 credit for each swimmer in a family beyond the first swimmer.

NEW SWIMMER CREDIT: Any family that brings a new swimmer to the team will be given a \$50.00 credit on their account. This does not apply to siblings that are beginning to swim on the team. There will be a space on the registration form for new swimmers to indicate how they heard about our team.

ISI FEES: All swimmers must register with ISI (Illinois Swimming, Inc) ONCE a year. If you did so in the fall, you need not do it now. The fee for 2007 – 2008 is \$60.00. We will send in your form and check for you. The money is passed directly to ISI and covers your insurance. Your ISI registration is good from September 1, 2007 - August 31, 2008. ISI forms are available on our website. If you are transferring from another team, you must fill out an ISI transfer form, get your old team to sign it saying they release you and send it in to ISI with \$10.00. Transfer forms are available on the TEAM INFO page on our website www.westswim.com .

ESCROW AND MEET ENTRIES: Westmont Swim Club will maintain an escrow account for each swimmer. The escrow will be used to pay your ISI meet fees. Each swimmer will be charged \$100.00 at the beginning of the season. When your escrow account falls below this \$100.00, you will be sent a bill. This money belongs to you and unused portion will be credited towards next session or to pay any other outstanding amounts in your account. If you leave the team before your escrow is gone, you may be credited for the remaining amount.

REFUNDS: Team fees are non-refundable after two weeks of practices for you child's group. Any money in your escrow account would be refunded to you after you left the team. ISI fees are non-refundable.

Westmont Long Course Meet: Westmont Swim Club is hosting its first Long Course Meet this May at the University of Illinois Chicago, Circle Campus. The meet is May 17-18, 2008. Participation in any of the Club's 2008 Spring through Summer programs requires each member family to commit to supporting this meet hosted by the a Club as outlined here. This commitment is required as a condition of membership, and applies to all families signed up for at least one session, regardless of whether the family's swimmer is enrolled in the particular session in which the meet is held, or whether the swimmer is participating in Westmont's Long Course Meet.

The commitment required is as follows:

2 posted work sessions

\$15 to help pay for concessions

For families that are unable to make some or all of the above requirements, the Club assesses a \$75 financial contribution for each missed work session. **Please note this is not a financial opt-out provision, as the Club needs every single work session filled to make the meet run properly.** The financial contribution is only for exceptional circumstances preventing the family from completing their commitment. Member families who do not comply with the terms of this pledge will immediately have their membership and swimming privileges suspended. Reinstatement/re-enrollment will only be permitted after settlement of any outstanding financial contributions associated with this pledge. **There are no exceptions for any reason to these provisions.**

I have read and understand the above information related to Westmont Swim Club's fees and policies.
