

## **2010-2011 WESTMONT SWIM CLUB SHORT COURSE FEE INFORMATION**

**FEES:** Half of the **session fees** are due by September 14, 2010. The remainder is due by October 31, 2010. If you are unable to meet the payment deadlines, contact [westcoach@comcast.net](mailto:westcoach@comcast.net) . If you pay all your session fees by September 1, 2010, you will receive a \$25 credit on your bill. There is a \$25 credit for each swimmer in a family beyond the first swimmer, with the exception of pre-team swimmers.

**ISI FEES:** All swimmers must be register with ISI (Illinois Swimming, Inc) ONCE a year. The fee for 2010 - 2011 is \$60.00. *We will send in your form and check for you.* The money is passed directly to ISI and covers your insurance. Your ISI registration is good from September 1, 2010 - August 31, 2011. ISI forms are available on our website. If you are transferring from another team, you must fill out an ISI transfer form, get your old team to sign it saying they release you and send it in to ISI with \$10.00. Transfer forms are available on the TEAM INFO page on our website [www.westswim.com](http://www.westswim.com) .

**ESCROW AND MEET ENTRIES:** Westmont Swim Club will maintain an escrow account for each swimmer. The escrow will be used to pay your ISI meet fees. Each swimmer will be charged \$100.00 at the beginning of the season. This money belongs to you and unused portion will be credited towards the next session or to pay any other outstanding amounts in your account. If you leave the team before your escrow is gone, you may be credited for the remaining amount.

**REFUNDS:** Illinois Swimming Fees (\$60) are non-refundable. Session Fees are non-refundable after two weeks. If a refund is requested within the first two weeks, the team will keep \$25 which is a registration fee and is non-refundable.

**MID-SEASON CHALLENGE & “Dive Into Summer” Meet:** Westmont Swim Club hosts two meets each year; the Mid- Season Challenge Swim Meet & the Dive Into Summer Meet at University of Illinois Chicago. The Mid Season Challenge Meet is December 3-5, 2010. Participation in any of the Club’s 2010/2011 Fall through Winter programs requires each member family to commit to supporting this meet hosted by the Club as outlined here. This commitment is required as a condition of membership, and applies to all families signed up for at least one session, regardless of whether the family’s swimmer is enrolled in the particular session in which the meet is held, or whether the swimmer is participating in the Mid-Season Challenge or Dive Into Summer Meet.

**The commitment required is as follows:**

- 3 posted work sessions for the Mid-Season Challenge Meet**
- 2 posted work sessions for the Dive into Summer Meet**
- \$20 to help pay for concessions for each meet**

For families that are unable to make some or all of the above requirements, the Club assesses a \$75 financial contribution for each missed work session. **Please note this is not a financial opt-out provision, as the Club needs every single work session filled to make the meet run properly.** The financial contribution is only for exceptional circumstances preventing the family from completing their commitment. Member families who do not comply with the terms of this pledge will immediately have their membership and swimming privileges suspended. Reinstatement/re-enrollment will only be permitted after settlement of any outstanding financial contributions associated with this pledge. **There are no exceptions for any reason to these provisions.**

In addition to this, each family is required to raise \$100 in ads or other fundraising opportunity for the Mid-Season Challenge or make a \$100 donation. More information about this will be available at a later date.

I have read and understand the above information related to Westmont Swim Club’s fees and policies.
